THE STORY

Say hello to San Francisco wundertrio **Pance Party**:

Pance Party's debut breakout EP, **Kim Jong Thrill**, saw all four tracks reach Beatport's top ten in their respective genres.

After having two tracks included in **Benny Benassi's** radio mix, Pance Party did an official remix for the legendary producer's single, 'Spaceship' featuring Kelis & Apl.De.Ap from the Black Eyed Peas, released on **Ultra** Records.

They've done official remixes for **Miles Dyson**, **Felix Cartal**, **Chester French**, **Blatta & Inesha**, **Somethingalamode**, and **Amplive** of Zion I.

Heavy hitters of the blog scene, Pance Party's remixes and originals have consistently reached the top of the **Hype Machine's** popular charts.

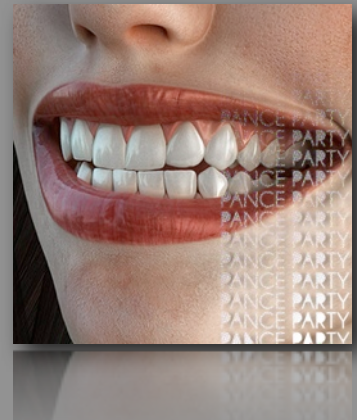

Pance Party's distinct sound has gained the support of world renowned artists including **Benny Benassi**, **Miles Dyson**, **Lazy Rich**, **Donald Glaude**, **Stereoheroes**, **Mustard Pimp**, and more: A global reach that has led to worldwide play on **BBC** and **Sirius** radio.
